1	MCCC had some pretty good teachers and the tutoring help is great.	1/27/2023 11:16 PM
2	The transition to online learning was a challenge and limited most of the social experiences with classes and clubs.	1/8/2023 9:28 PM
3	It was a pleasure to come back to MCCC and get the support that was so much needed. I thought this was going to be difficult for me to get through my class. With the overall support from staff, it was wonderful. I want to say thank you for me there for me!	1/5/2023 7:40 AM
4	Instructor was out with covid for over a month. Next to no communication with students. Then proceeded to ridicule final project after he hadn't spoken to us to clarify anything for over a month	1/4/2023 5:17 PM
5	Most of the classes I took had smaller groups of students, which helped for better instruction from the instructors/professors.	1/4/2023 10:33 AM
6	Unfortunately, because of the pandemic, everything was online for the majority of my 2 proper years at MCCC. I would've liked it more if there were more chances for in-person classes. I am very thankful that I went here first before transferring to a 4 year, however. :-)	1/4/2023 10:09 AM
7	Curriculum versus what's tested on needs to be reviewed for final semester of RN program. So many students pass by one point, or have to redo semester. I don't feel that there is adequate teaching of tested material.	1/4/2023 10:00 AM
8	Super grateful for the option to take my course completely online.	1/4/2023 9:56 AM
