The typical monthly loan payment

N/A* per month in student loans with N/A* interest rate.

**Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.*

The typical graduate earns

Not provided per year after leaving this program.

Graduates who got jobs

N/A* of program graduates got jobs.

**We are not currently required to calculate a job placement rate for program completers.*

Program graduates are employed in the following fields:

Industrial Engineering Technicians

Licensure Requirements

Program has no licensure requirements in any state.

Undergraduate Certificate

PRODUCT AND PROCESS

TECHNOLOGY: CNC CERTIFICATE

Program Length: 30 weeks

Students graduating on time

N/A* of Title IV students complete the program within 30 weeks.

**Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.*

Program Costs*

\$3,048 for in-state tuition and fees

\$5,556 for out-of-state tuition and fees

\$1,272 for books and supplies

N/A for off-campus room and board

**The amounts shown above include costs for the entire program, assuming normal time to completion. Note that this information is subject to change.*

Students Borrowing Money

N/A* of students who attend this program borrow money to pay for it.

**Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.*

The typical graduate leaves with

N/A*in debt.

**Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.*

The typical monthly loan payment

N/A* per month in student loans with N/A* interest rate.

**Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.*

The typical graduate earns

Not provided per year after leaving this program.

Graduates who got jobs

N/A* of program graduates got jobs.

**We are not currently required to calculate a job placement rate for program completers.*

Program graduates are employed in the following fields:

Industrial Engineering Technicians

Licensure Requirements

Program has no licensure requirements in any state.

Undergraduate Certificate

QUALITY SYSTEMS TECHNOLOGY CERTIFICATE

Program Length: 30 weeks

Students graduating on time

N/A* of Title IV students complete the program within 30 weeks.

**Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.*

The typical graduate leaves with

N/A*in debt.

**Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.*

The typical monthly loan payment

N/A* per month in student loans with N/A* interest rate.

**Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.*

The typical graduate earns

Not provided per year after leaving this program.

Graduates who got jobs

N/A* of program graduates got jobs.

**We are not currently required to calculate a job placement rate for program completers.*

Program graduates are employed in the following fields:

Inspectors

Testers

Sorters

Samplers

Weighers

Licensure Requirements

Program has no licensure requirements in any state.

Undergraduate Certificate

SOLAR PHOTOVOLTAIC ENERGY CERTIFICATE

Program Length: 30 weeks

Students graduating on time

N/A* of Title IV students complete the program within 30 weeks.

**Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.*

Program Costs*

\$4,318 for in-state tuition and fees

\$7,871 for out-of-state tuition and fees

\$1,272 for books and supplies

N/A for off-campus room and board

**The amounts shown above include costs for the entire program, assuming normal time to completion. Note that this information is subject to change.*

Students Borrowing Money

N/A* of students who attend this program borrow money to pay for it.
