HealthGuard Professional Food Manager Certification

Monroe County Community College is offering a one-day HealthGuard Professional Food Manager Certification Training session in conformance with the Michigan Food Law. The Michigan Food Law requires all licensees to have a certified food manager. This course, along with a passing score on the exam, meets that requirement. The cost includes the NSF HealthGuard Certified Professional Food Manager Manual, exam, lunch and refreshments. CEUs: .8

Business and Industry Customized Training and Retraining Programs

In collaboration with your company, MCCC can create training and retraining programs to meet the changing dimensions of skills in today's workplace. Whether your company needs training in supervision/management, a new manufacturing process, software applications or basic skills, representatives from the college can work with members of your staff to develop a customized training program tailored to meet the specific needs of your employee groups. The training can take place at your office or plant or at the college on a time schedule convenient to your company and employees.

For more information, contact Barry Kinsey, director of workforce development, at 734.384.4124.

Resume and Interviewing Workshop

Learn how to develop effective job search correspondence for today's market. Barry Kinsey, director of workforce development at MCCC, will assist those who don't yet have a resume or want to improve the one that they have. Included are the "7 Keys" of experience and tips for writing cover letters and interviewing. Also, learn about upcoming community job fairs in which you can participate. Please visit the Workforce Development Web site (www.collegecentral.com/monroeccc.edu) to view employment opportunities in our region.

All Resume and Interviewing workshops are free and open to the public but registration is required.

Please call the Office of Workforce Development to register at 734.384.4229.
