Beth Waldvogel, Web Services/Computer Lab Technician – Whitman Center, effective October 28, 2013 (from Part-time Main Campus to full-time Whitman)

C. 3. a. (2) 9. The statement of General Fund Revenues and Expenditures for the period ending September 30, 2013 was presented.

Deb Beagle, Director of Financial Services, reported that the auditors will present a recap of the audit report at the November Board meeting. In addition to the report for September 2013, the financial report for June 2013 was reviewed. Appropriations from the State included a payment of $250,000 received in August. The payment was for the Unfunded Actuarial Accrued Liability for the MPSERS retirement plan. The College had until September 9, 2013 to pay the funds to the Michigan Public School Employee Retirement System. The State appropriation is because of the cap placed on the UAAL the employer has to contribute in accordance with PA 300 of 2012. The College expects to receive nearly $627,000 in fiscal year 2013-14 for this purpose.

C. 3. b. (1) 10. Dr. Quartey presented the President’s report on the following: written reports to Trustees each week; ACCT Congress in Seattle; MCCC Strategic Plan and tactics; Enrollment Management; one-on-one meetings with superintendents in the county regarding collaboration on educational opportunities; “Education Matters” the college’s new show on MPACT; attendance at the Bedford Business Association meeting with assurances that the Whitman Center will not close; continuing support of Veterans and Native Americans; one-on-one meetings with faculty, administrators, and staff; success of the SolidWorks consortium at the college with over 100 attendees; MCCA Board meeting in Lansing; and continued efforts in building relationships and breaking down silos.

C. 3. b. (2) 11. Vice President Wetzel gave an update on the October 17 Foundation meeting. Two new scholarships working toward endowed status were announced – the Dave and Judy Nixon Scholarship and the Exchange Club Scholarship. Over $140,000 in private donor scholarships have been awarded this year. The 19th Annual Alumni Golf Outing raised over $11,800. Funds originally allocated for a major act for the 50th Anniversary celebration in the amount of $50,000 have been reallocated for other activities, events, and performers. C. 3. b. (3) 12. Steve Mapes, Associate Professor of Student Services, reviewed the Student Profile Data Report for Fall 2013. There were no big shifts in the typical student profile. Out-of-state student enrollment is down 56 students which may be from increased efforts to identify Pell Runners. Downriver enrollment is up. Dual enrollment is up 18 percent. Middle College student enrollment is up 49 percent. There are 72 Veterans enrolled who are receiving benefits.
C. 3. b. (4) 13. Molly McCutchan, Director of Human Resources, reported that the college changed Workers’ Compensation carriers as of October 1 to Eastern Alliance for a savings of about $13,000.

C. 3. b. (6) 15.
