Chemical Management System
Why Choose Clean on the Go®?

System dispensing technology with an immediate positive impact on your environmental sanitation program.

- Affordable
- Portable or Stationary
- Durable
- Versatile
- Environmentally Conscious
- Worker Safe
- Easy to Install
- Easy to Use
- High Quality/High Performance Products

- Low Cost Dispensers and Priced-Right High Performance Product Concentrates create instant bottom line savings in actual dollars, time and labor.

- One Dispenser Does the Work of Many. Simply remove one product and insert a different product as required.

- Super Concentrates mean less SKU’s, reduced handling, less storage space and less solid waste disposal.

- Answers Your Specific Needs.
  Low flow dispenser for filling trigger spray bottles. High flow with locking button for filling mop buckets and auto scrubbers.

- Convenient and Mobile.
  Dispenser mounts to wall in central location or attaches to housekeeping cart. Saves “running” time. No need to tie up water source.

- User Friendly. Installs in Minutes. No metering tips to change. No tangling of tubes. No bulky boxes or heavy containers.

- Easy to Train Housekeeping Staff. Reduces errors and assists risk management by diminishing potential for product liability claims. Product color, container labeling and trigger spray bottles are numbered and color matched. Trilingual labels and icons for those who do not read or speak English.

- Predetermined High Dilution insures accurately measured, fresh product with the press of a button. No guesswork. No employee confusion. No waste. Each 2-liter provides 33 gallons of ready-to-use product.

- Worker Safe. Custom fit mating cap and cartridge insert help prevent spills and minimize possibility of contact with chemicals.

- Complies with Regulations.
  - E-Gap eductor is widely recognized as a reliable means for preventing backflow contamination, per ASSE 1055B
  - Air gap eductor complies with American National Standards Institute ANSI A 112.1.2 and ASSE 1055B.
  - Product MSDS inside each product case.
  - Product and trigger spray bottle labels include all information required by Right-To-Know laws, State and Local regulations.

KEY

- Product available worldwide.
- This product is Green Seal™ Certified.
- Formulated in partnership with the Environmental Protection Agency’s Design for the Environment program.
- WOOLSAFE approved maintenance product for wool and wool-rich carpets.
- Kosher Certified

Why Choose Clean on the Go®?
2-Liter Concentrates

1. **NABC® Concentrate**
   - NABC Concentrate is a broad range germicidal cleaner-disinfectant-deodorizer concentrate specifically designed to clean, deodorize and disinfect toilet bowls, urinals and other hard, non-porous restroom surfaces. EPA Reg. No. 5741-20 pH 5.0 - 6.0 #4716

2. **hdq™C2**
   - A neutral quaternary disinfectant cleaner formulated to kill a broad spectrum of microorganisms on high gloss floors, walls and other hard, non-porous surfaces. EPA Reg. No. 1839-169-5741 pH 7.5 #4702

3. **Super Concentrated Glass & Hard Surface Cleaner™**
   - A highly dilutable formula designed to clean glass and other hard surfaces quickly and with minimal effort. pH 9.5 #4730

4. **Multi Surface Cleaner™**
   - A synthetic detergent concentrate with aggressive cleaning power formulated for use on a variety of surfaces not harmed by water. pH 10.5 #4740

5. **Smoke & Odor Eliminator**
   - A combination surfactants, solvent and carefully chosen odor-eliminating ingredients blended to provide fast, efficient elimination of problem odors. pH 7.5 #4786

6. **THE Degreaser™**
   - An ecologically sound, environmentally conscious, heavy-duty, all-purpose industrial cleaner formulated to remove grease, oil and other tough soils without upsetting the ecosystem of water and waste treatment facilities. pH 12.0 #4734

7. **Acid Bathroom & Shower Cleaner™**
   - Revolutionary new acid technology! A light to medium-duty cleaner/maintainer formulated for use on restroom and shower room surfaces, toilet bowls and urinals. pH <1 #4724

8. **Damp Mop™**
   - For the professional who appreciates ease of maintenance and ultimate floor appearance! A floor cleaner specifically formulated for maintaining high gloss floor finishes. Also an excellent light-duty, all-purpose cleaner. pH 7.5 #4736

9. **Xtraction II®**
   - Xtraction II features a power boosting dual surfactant system for fast, effective extraction cleaning. Low foaming with a unique wetting agent combination that leaves no residue to contribute to resoiling. Xtraction II has an average in-use pH of 10.5 and a springtime fresh fragrance that leaves carpet smelling fresh and clean! pH 10.5 #4738

## 2-Liter Concentrates

### 19 metaquat®
- **A detergent designed for aggressive cleaning, disinfection and deodorization of walls, floors and other hard, non-porous environmental surfaces.**
- **EPA Reg. No.** 5741-12
- **pH** 12.8 – 13.1
- **2 oz./gal.** #4840

### 20 SparClean™ Pot and Pan Detergent
- **Designed to be used for manual washing of excessively soiled kitchen items.** pH 7.5 – 8.0
- **¼ - 2 oz./gal.** #4845

### 21 SparClean™ Silverware Pre-soak
- **A triple-action enzymatic silverware and utensil pre-soak designed to break down stubborn food residues.** pH 7.8 – 8.0
- **2 - 3 oz./gal.** #4850

### GS 2-Liter Concentrates

#### 22 Sani-T-10® Plus
- **Quat-based sanitizer specifically formulated for food processing applications.**
- **EPA Reg. #** 10324-117-5741
- **pH** 6.0 - 8.0
- **.75-1 oz./4 gal.** #4801

#### Neutral Disinfectant Cleaner 103
- **A neutral quaternary disinfectant cleaner formulated to kill a broad spectrum of microorganisms.**
- **Effective against HIV-1 Virus, HIV-2 Virus, Hepatitis B Virus (HBV), and Hepatitis C Virus (HCV).**
- **EPA Reg. No.** 1839-169-5741
- **pH** 7.0
- **2 oz./gal.** #3513

#### GS High Dilution Disinfectant 256 106
- **Just a half-ounce of concentrate per gallon of water provides total cleaning, disinfection, and deodorization in one labor-saving, cost-effective step. Effective against HIV-1, HIV-2, HBV and HCV viruses.**
- **EPA Reg. No.** 1839-167-5741
- **pH** 6.5 – 7.5
- **.5 oz./gal.** #3516

### Green Solutions® 2-Liter Concentrates

#### Green Solutions® All Purpose Cleaner 101
- **An environmentally preferable, all-purpose cleaner, formulated to quickly penetrate, emulsify and remove light to medium soils.**
- **pH** 7.0 – 8.0
- **3-12 oz./gal.** #3511

#### Green Solutions® Glass Cleaner 102
- **A glass cleaner that has a state-of-the-art surfactant system offering excellent surfactant/wetting agents with emulsification abilities.**
- **Quickly penetrates, emulsifies and removes dirt with minimal effort. Dries fast without streaking and requires no rinsing.**
- **pH** 7.5 – 8.5
- **2 oz./gal.** #3512

#### Green Solutions® Industrial Cleaner 105
- **A non-toxic, heavy-duty liquid cleaner. Formulated with a super surfactant cleaning system, the concentrate is engineered to quickly remove petroleum-based soils with efficiency.**
- **pH** 9.0 – 10.0
- **1-16 oz./gal.** #3515

#### Green Solutions® Carpet Cleaner 104
- **A carpet extraction cleaner that features a powerful, low-foaming surfactant system for fast, effective extraction cleaning.**
- **Use in all types of extraction equipment and may be used for bonnet cleaning. Dries to a crystal. Dye and fragrance free.**
- **Phosphate free. Biodegradable.**
- **pH** 8.0 – 9.0
- **2 oz./gal.** #3514
**Clean on the Go® Stainless Steel Lock & Dial**
Stainless Steel for maximum strength and durability. Fills up to three different high flow products and a clear rinse; plus, dispenses up to four low flow products. #9055

**Green Solutions® Stainless Steel Lock & Dial**
Easy to use and install, the dispenser mounts with just 2 screws and weighs only 9-1/2 pounds. Dial and select the product of choice or the rinse application. Press the button to fill a trigger spray bottle, fill a bucket or auto-scrubber. The locking cabinet stores up to four 2-liter product cartridges inside the unit, providing security and worker safety. #9456

**Clean on the Go® Foam Gun**
Easy to use, portable foam gun with a “Fresh Rinse” feature for use with the Clean on the Go chemical management system. Automatically dilutes at 2 oz. per gallon due to the pre-installed metering tip. #9881

**Clean on the Go® PDS™, Portable Dispensing System**
The Clean on the Go PDS, Portable Dispensing System is the latest dispensing technology! It quickly fills bottles and buckets at 2 gallons per minute, and works with all of Spartan’s 2-liter concentrates. #9258

**Clean on the Go® VersaFill**
Designed for ultimate flexibility in product options, VersaFill can dispense Clean on the Go 2-liters as well as most concentrated products that are packaged in gallons. Dispenses four products at 1gpm and one product at 3.5 gpm. #9062 (e-gap) #9063 (air gap)

**VersaFill™ II**
Same as the classic VersaFill dispenser but dispenses four products at 1gpm and the same four product at 3.5 gpm. #9066 (e-gap) #9067 (air gap)

**1 GPM Low Flow Dispenser**
Dispenser includes racking system, installation instructions and mounting screws. Dispenses product at 2 oz. per gal. of water. #9158

**3.5 GPM High Flow Dispenser**
Dispenser includes racking system, installation instructions and mounting screws. Dispenses product at 2 oz. per gal. of water. #9159

**Lean Clean on the Go® 3.5 GPM High Flow Dispenser**
Dispenser includes racking system, installation instructions and mounting screws. Dispenses product at 1/2 oz. per gal. of water. #9152
Dispensers & Accessories

**Clean on the Go® 3-Sink System**
Efficient, Effective & Economical
Spartan Clean on the Go 3-Sink System is chemical management that provides low cost, consistent dilutions and outstanding performance; plus it is easy to use. Made of durable material and incorporating state-of-the-art water valve technology, Spartan’s Clean on the Go 3-Sink System is an economical investment. #9056

**Push 3-Sink Dispenser**
Dispenses 1 oz. per push. #9059

**Green Solutions® Collection Cards**
Portable version of the Green Solutions wall chart. One card per product on a metal ring with write-on, wipe-off pen. English/Spanish/French. #9368

**Green Solutions® Wall Chart**
Laminated, color-coded chart provides visual references of what product cleans which surface and what equipment to use. English/Spanish/French. #9071

**ChemPod**
Holds two 2-liter cartridges. Includes lock & key. #9051

**Clean on the Go® 3-Sink System Sanitation Schedules**
#9253-05
Set of four frequency-of-cleaning sanitation schedules (charts) for the grocery industry. Includes one schedule for each department: Deli/Bakery, Produce, Seafood, Meat. Charts are also available individually: Deli/Bakery #9253-01; Produce #9253-02; Seafood #9253-03; Meat #9253-04.

**Clean on the Go® Product Sticker Sheet**
2 of each product and Green Solutions products. #9259
