Licensure Requirements⁶

Program qualifies students to sit for licensure exam in:

Michigan

Additional Information:

A practical nursing certificate prepares students to function as beginning licensed practical nurses and members of the health team, under the supervision of the registered nurse, physician or dentist, in the care of stable individuals with acute and chronic illnesses.

Licensed practical nurses provide basic bedside nursing care and are qualified for employment in structured practice settings, include acute care hospitals, extended care facilities, community settings, nursing homes, clinics and physicians' offices.

Upon program completion, students will be prepared and eligible to apply for licensure in the State of Michigan. Students must meet the Michigan Board of Nursing eligibility requirements and successfully pass the National Council Licensure Exam (NCLEX-PN) in order to become a licensed practice nurse.
