Student GPA by Enrollment Status

GPA	FL2011	FL2012	FL2013
Dual Enrolled			
Median Term Cumulative	3.30	3.17	3.19
Median Cumulative	3.22	3.29	3.19
# Students	257	276	325
Not Dual Enrolled			
Median Term Cumulative	2.78	2.88	2.87
Median Cumulative	2.81	2.86	2.87
# Students	4031	3635	3284

Results: Dual enrolled students perform better and have higher course completion rates than the non-dual enrolled student population as a whole. Given that non-dual enrollers may take more advanced courses, smaller effects may be produced upon examination of student performance within the same course.
