

## **Notice of Vacancy**

### **Monroe County Community College**

<b>Position</b>	Director of Clinical Education, Respiratory Therapy Program
<b>Description</b>	Full-time faculty position with responsibilities in clinical education coordination and instruction in classroom, laboratory, and clinical settings for an accredited respiratory therapy program. Coordinate the clinical experience of the respiratory therapy students including scheduling, student orientation, hospital visitation and document control. Coordinate and conduct meetings with the clinical faculty and orient them to the respiratory therapy program documents and expectations. Prepare instructional strategies and materials to meet the needs of the students, including the revision, planning, and development of courses and course delivery methods. Duties include participation in Division-wide program curriculum planning and assessment of student learning outcomes and in Respiratory Therapy Program Advisory Committee meetings. Provide input to both the Respiratory Therapy Program Director and Dean of Health Sciences regarding program policies, curriculum issues, accreditation requirements, budget construction, recruitment, and laboratory equipment/supply inventory.
<b>Qualifications</b>	Bachelor degree required from an academic institution accredited by a regional or national accrediting agency recognized by the U.S. Department of Education (USDE); Bachelor of Science degree or master's degree in related field preferred. RRT credential – valid, unencumbered respiratory care practitioner license in Michigan required; Ohio license desirable. Five years clinical experience and two years teaching experience in an accredited respiratory care program, either as an appointed faculty member or as a clinical preceptor required. Evidenced teaching skill and ability to identify and implement assessment of student strategies and practices.
<b>Salary</b>	Per Master Agreement \$50,571-62,125 base salary. Salary may be negotiated depending upon experience and education. Faculty contract 15-18 contact hour week, 162-day academic year. Spring and Summer extra-contractual opportunities may be available.
<b>Benefits</b>	Health, dental, vision, life, and long-term disability insurance plans. Accrued sick leave, dependent tuition waiver, and retirement plan options.
<b>Start Date</b>	January 2, 2018
<b>Location</b>	Monroe County Community College has been providing a variety of post-secondary opportunities for the residents of Monroe County, Michigan since 1964. Monroe County, with a population of 157,500, offers a quality rural and urban life style well situated between Detroit, Ann Arbor, and Toledo, Ohio. Graduate study is available at the University of Toledo, Wayne State University, Eastern Michigan University, the University of Michigan, and the University of Detroit.
<b>Deadline</b>	Review of applications begins September 15 and will continue until position filled
<b>Application Process</b>	Interested candidates should submit a letter of interest, resume, two letters of recommendation, academic transcripts (official transcripts required upon hire), and MCCC faculty employment application to Molly McCutchan; Director, Human Resources; Monroe County Community College; 1555 S. Raisinville Rd.; Monroe, MI 48161; <a href="mailto:mmccutchan@monroeccc.edu">mmccutchan@monroeccc.edu</a> .
