FOR IMMEDIATE RELEASE

**MCCC RENEWS TRANSFER AGREEMENT
WITH EMU COLLEGE OF BUSINESS**

MONROE, Mich. – Monroe County Community College has renewed a transfer articulation agreement with Eastern Michigan University’s College of Business that allows MCCC students who earn an associate of applied science degree in computer programming or Web development to transfer up to 88 MCCC credits toward a bachelor of business administration in computer information systems at EMU.

The agreement will be in place through 2014.

Paul Knollman, MCCC dean of the business division, said that articulations agreements are renewed periodically to ensure that the curriculum is still compatible and courses will transfer.

The goal of the agreements is to make transferring easier on students. In a recent college survey of MCCC graduates, 13 percent reported that they had transferred to EMU.

“We have a great relationship with the people at Eastern Michigan; they really support the mission of the community college,” Knollman said.

“With these articulation agreements, it’s all set up for the students in writing. It takes a lot of worrying out of transferring, and it’s a great program for students to save money or stay in the area. It’s usually a win-win situation.”

(more)

The articulation guide can be found online at www.emich.edu/ccr/artguide.php. For more information, contact Knollman at (734) 384-4282 or pknollman@monroeccc.edu or Amelia Chan, assistant dean of the EMU College of Business, at (734) 487-2344 or amelia.chan@emich.edu.
