FOR IMMEDIATE RELEASE

MCCC CHILD CARE CENTER STILL ACCEPTING APPLICATIONS

MONROE, Mich. – Applications are still being accepted by Monroe County Community College's Child Care Center for the Fall Semester, but space is limited.

The center, located in the Gerald Welch Health Education Building, is open to MCCC students and employees, as well as the public, based on availability. It accepts children from 18 months to 6 years of age.

The cost is \$3.50 per hour, per child, and there are openings available at different times of the day.

The center is open from 7:45 a.m. to 5 p.m. Monday through Thursday, and 7:45 a.m. to 4 p.m. on Friday. However, scheduling can be flexible if a child must be dropped off or picked up before or after the standard times.

Children are provided with planned activities in the areas of language development, physical coordination and social-emotional development.

The Center features two trained care providers and up to two student assistants. Each provider can provide care for one to eight children each, depending on the children's ages. Children under 2½ years are cared for in groups of one to four.
