MONROE, Mich. – At its regularly scheduled meeting Monday night, the Monroe County Community College Board of Trustees met in closed session with President Dr. David Nixon for the purpose of presidential evaluation.

Upon returning to open session, the board released the following statement:

“MCCC, as well as the citizens, businesses and organizations of Monroe County, continue to be blessed with a creative, talented, proven, exceptionally visible and highly effective community college president who is incredibly motivated and totally committed to the mission of Monroe County Community College, the needs of students and the economic and cultural enrichment of our community at large.

“Nine years after his initial recruitment and hire in August of 2003, Dr. Nixon is recognized as an entrepreneurial and transformational leader at MCCC and in the broader community. Entrepreneurial and transformational leaders recognize opportunities, mobilize resources, inspire other individuals and organizations and nurture a climate conducive to creativity and new beginnings. Dr. Nixon has done this
