FOR IMMEDIATE RELEASE

STILL TIME LEFT TO REGISTER FOR SUMMER CLASSES

Fall Semester Registration Also Underway

MONROE, Mich. – Summer Semester at Monroe County Community College begins on June 18, and there is still plenty of time to register.

Students can register until classes begin. However, for the best selection, they should register as soon as possible.

If necessary, students can register late by adding a class prior to the second scheduled class meeting.

MCCC's Fall Semester begins August 30, and registration is underway for that as well.

For registration information, contact the Office of Admissions and Guidance Services at (734) 384-4104 or toll free at 1-877-YES-MCCC, extension 4104.

Students can also register through the Whitman Center in Temperance. To contact the Whitman Center, call (734) 847-0559.
