FOR IMMEDIATE RELEASE

**MCCC, DTE ENERGY, CONSUMERS ENERGY TEAM UP TO  
OFFER ENERGY EFFICIENCY INFORMATION SESSIONS**

MONROE, Mich. – Interested in using less energy and saving more money?

Monroe County Community College, DTE Energy and Consumers Energy have teamed up to offer residential and commercial energy customers in the county two free information sessions on electric energy efficiency incentive programs.

The first information session will be held Tuesday, Oct. 22 from 8-9:30 a.m. in Room 2 of the Whitman Center. The Whitman Center is located at 7777 Lewis Ave. in Temperance. Gordon Plourde, an energy advisor with the Consumers Energy Business Solutions Program, will present.

The second session will be held Thursday, October 24 from 8-9:30 a.m. in Rooms 259 and 260 of the La-Z-Boy Center. The La-Z-Boy Center is located on MCCC's Main Campus at 1555 S. Raisinville Rd. in Monroe. Derek Kirchner, program manager for the Electric Energy Efficiency Program at DTE Energy, will present.

Energy Optimization is a program that the state enacted to increase energy awareness across Michigan by providing education on how to save energy; encourage residential and business customers to save energy in existing and new facilities by using available technology, programs and rebates; and reduce the electric and natural gas demand in Michigan.
