CLASSIC ALBUMS LIVE TO RECREATE
PINK FLOYD'S 'DARK SIDE
OF THE MOON' LIVE AT MCCC

MONROE, Mich. – Classic Albums Live will recreate the magic live of Pink Floyd's iconic "Dark Side of the Moon" album on Saturday, Jan. 24 at 7:30 p.m. at Monroe County Community College's La-Z-Boy Center, Meyer Theater.

With a 17-piece ensemble, Classic Albums Live will also play a greatest hits set of additional Pink Floyd classics.

Founded in 2003 by Craig Martin, Classic Albums Live is not a mere tribute performance or cover band.

This band recreate classic albums note for note, cut for cut, using every instrument it took, exactly as you remember it – no wigs, no samples and no costumes.

"Dark Side of the Moon" made Pink Floyd an astronomical success – spawning such hits as "Time" and "Money." It is a critically acclaimed fan favorite that has withstood the test of time and continues to attract new listeners today. With an estimated 50 million copies sold, it is the band's most commercially successful album and one of the best-selling albums in the world. It is frequently ranked as one of the greatest albums of all time.

The La-Z-Boy Center is located on MCCC's Main Campus at 1555 S. Raisinville Rd. in Monroe.
