ROOF FAMILY FOUNDATION
SCHOLARSHIP ESTABLISHED AT MCCC

MONROE, Mich. – The Roof Family Foundation and The Foundation at Monroe County Community College have established the Roof Family Foundation Scholarship at MCCC.

The Roof Family Foundation was established by Donald and Patricia Roof, who are both graduates of Dundee High School and reside part-time in Dundee. They established this scholarship to help students in the foster care system and/or students who graduated from Dundee High School complete associate's degrees and go immediately into the work force.

“We believe in the opportunity an education can offer,” said Don Roof. “My wife Pat and I established this scholarship to fully fund the education of students who may have faced adversity, and we are excited to help students quickly get the skills needed to reach their career goals.”

To apply for this scholarship, which is for \$3,750 per academic year, an individual must:

- Be a U.S. citizen who resides in Monroe County, Mich. and a graduate of a Monroe County, Mich. high school.
- Have at least a 2.8 GPA and enroll full-time in an occupational program of study with the intent to complete a program of study at MCCC and immediately enter the workforce.

Preference will be given to a graduate of Dundee Community Schools in Dundee, Mich. and/or a student who was in the foster care system during high school.
