FOR IMMEDIATE RELEASE

MCCC TO HOST N.W. OHIO/S.E. MICHIGAN SOLIDWORKS USER GROUP CONFERENCE

MONROE, Mich. – Monroe County Community College’s Applied Science and Engineering Technology Division will host the Southeast Michigan and Northwest Ohio SolidWorks User Group Conference on October 14 from 5:30-8:30 p.m. in the Career Technology Center.

The Career Technology Center is located on MCCC’s Main Campus at 1555 S. Raisinville Rd. in Monroe.

SolidWorks is 3-D parametric modeling software that is widely used in mechanical design and engineering applications.

The conference is an opportunity for SolidWorks users to network with colleagues and peers to see how others are using the software in their workplace. It is free and open to students, teachers, designers, engineers, employers and anyone with an interested in SolidWorks and the mechanical design industry.

Press Release

The Southeast Michigan and Northwest Ohio SolidWorks User Group is led by Dr. Dean Kerste, MCCC professor of mechanical design technology, who recently became a Certified SolidWorks Expert – the highest level of proficiency in using the software. He is the only educator in Michigan who holds that certification. Kerste also recently passed the Certified SolidWorks Professional Advanced Drawing Tools Examination.

A Google Nexus 7 tablet will be awarded as a grand prize at the conference.

To register for the conference, go to www.monroecc.edu/swug. For more information, contact Kerste at dkerste@monroecc.edu or (734) 384-4121.
