**BOARD APPROVES MCCC FALL SEMESTER  
TUITION INCREASE OF \$7 PER CONTACT HOUR**

MONROE, Mich. – At a special meeting last night, the Monroe County Community College Board of Trustees unanimously approved a \$7 per billable contact hour tuition rate increase for students who are Monroe County residents.

Beginning with the upcoming Fall Semester – which begins August 27 – students who are residents of the county will pay \$102 per billable contact hour, up from \$95

In addition, the Board approved Fall Semester tuition rate increases for students who are not residents of Monroe County. Students living in Michigan, but outside Monroe County, will pay \$177 per billable contact hour, up \$14. Students from out of state and international students will pay \$197, up \$16.

The board also increased the technology fee from \$12 per billable contact hour to \$20.

MCCC's new district tuition rate of \$102 remains below the state average of \$108 among the 20 community colleges that charge by contact hour, said Suzanne Wetzel, vice president of administration.
