FOR IMMEDIATE RELEASE

### **THE FOUNDATION AT MCCC AWARDS THE APPLIED SCIENCE AND ENGINEERING TECHNOLOGY DIVISION SCHOLARSHIP**

MONROE, Mich. – The Foundation at Monroe County Community College has awarded the Applied Science and Engineering Technology Scholarship to **Fennther Hernandez**. The \$357.36 scholarship is to be used for tuition, fees and books.

**Hernandez** of Monroe is a 2017 graduate of Monroe High School and will be studying mechanical engineering as well as electrical engineering.

The scholarship will be awarded to a student who is enrolled in a certificate or degree program in the Applied Science and Engineering Technology Division at MCCC, maintain at least part-time enrollment during the year and have a 2.5 GPA. Financial need will be considered in the awarding of the scholarship.

For more information on available scholarships and financial aid, please contact the MCCC Financial Aid Office at (734) 384-4135. If you are interested in information about funding a scholarship, contact The Foundation at MCCC at (734) 384-4214.
