

ONLINE COURSE INFORMATION

Fall 2017 Semester

COURSE: ENGL 155 L1

INSTRUCTOR: J. Locher

Technical Writing

EMAIL: jlocher@monroecc.edu

There are many benefits of online courses at MCCC:

- Less restrictive scheduling
- Convenience
- Intensive self-study
- Course materials are accessible 24 hours a day 7 days a week

Some students struggle in an online format while other students excel. Students who excel in an online format are:

- Highly self-motivated
- Have strong computer skills
- Possess good time management skills
- Know how to study independently
- Possess good communication skills

Online classes at MCCC are **NOT self-paced**. Instruction is delivered in an entirely web-based format. Students must complete exams, assignments, etc. by specified due dates. Some exams and assignments may be required to be completed at an authorized location as established by the instructor.

When taking an online class students are responsible for:

- A reliable computer with Internet access and Microsoft Word; course specific software will be described below
- Knowing how to email attachments
- Maintaining his or her own computer and Internet connection; technical issues are NOT acceptable excuses for not keeping up with due dates
- Having access to a printer if needed for personal use of online materials

It is the student's responsibility to log into Blackboard multiple times each week to keep up with communication, assignments and other coursework.

Blackboard

Online courses use Blackboard course management system as the means of communication between the students and the instructor.

It is the student's responsibility to be able to log into Blackboard and maintain his or her computer setup to work properly with Blackboard.

The Blackboard Login can be found on the College's webpage, www.monroecc.edu. Information on student usernames and passwords can be found on the Student Support tab on the Blackboard site.

Blackboard courses are made available to students on the day the course begins. Please see the Start Date below.

MCCC Student Email

It is essential that online students use their MCCC student email account. This will be the primary means of email communication between you and your instructor. For more information about activating your MCCC student email account, visit the college's webpage at www.monroecc.edu.

COURSE DESCRIPTION	<p>Students will learn to analyze and interpret technical information and to communicate effectively and efficiently in writing using the vocabulary of the business and technical worlds. Writing assignments and projects will include a variety of business and technical applications and report writing. Conducting research, analyzing various writing, writing correspondence and instructions, preparing an oral briefing and engaging in group projects will promote critical thinking and teamwork.</p> <p>The complete Outline of Instruction can be found at http://www.monroecc.edu/outlines/.</p>
COURSE BEGINS	Wednesday, August 23, 2017
COURSE ENDS	Monday, December 11, 2017
REGISTRATION PROCESS	<p>Students must register for the course through the College's regular registration process.</p> <p>If you are a first-time online student at MCCC you must complete an online orientation course (ONL-001). You will be automatically enrolled into the online orientation course, which will provide you with critical information on the technical, study, reading and writing skills necessary to be a successful online student. This course will be listed in your MyCourses module in Blackboard and there will be 4 modules to complete. Please note that all four modules will NOT be visible when you first login, but will become visible once you complete the requirements for each module. Please complete FL2017-ONL-001-L1 by August 19, 2017. Failure to complete the online orientation by the above date may result in <u>de-registration from your fall 2017 online course</u>.</p>
PROCTORED EXAMS OR ASSIGNMENTS	<p>You will have a CAPSTONE Project that is submitted in hard copy. You may bring it on campus to the Instructor's office (C-207) or drop it in the mail one day before the due date and mail it to the Instructor's home. One final exam will be administered on campus. You will have approximately one week to take the exam on the day and at the time of your choice.</p>
ADDITIONAL INFORMATION: PROCTORED EXAMS OR ASSIGNMENTS	<p>Some online classes require students to take exams at authorized, proctored locations. Test proctoring centers are authorized testing locations where a staff person administers a test or assignment. If students are not able to arrange transportation to MCCC's main campus for testing, a proctored test site must be arranged. Students near the MCCC campus can take the test in the Regional Computer Technology Center (RCTC). Additional information on the RCTC can be found at http://www.monroecc.edu/rctc/index.htm. It is the student's responsibility to make arrangements for proctoring with his or her instructor. Students should also be aware that some testing sites have service fees, which are the responsibility of the student.</p>

<p>COURSE MATERIALS AND TEXTBOOK INFORMATION</p>	<p>Textbook information can be found on the MCCC Bookstore's webpage, http://www.monroeccc.edu/bookstore/. Textbook information is posted approximately one month prior to the beginning of the semester. IMPORTANT: Make sure when identifying which course you are enrolled in, you get the materials for the ONLINE version of the course.
