### Winter 2019 Semester

COURSE: HIST 155 L1

INSTRUCTOR: S. Kamen

History of the United States, 1877-Present

EMAIL: [skamen@monroecc.edu](mailto:skamen@monroecc.edu)

There are many benefits of online courses at MCCC:

- Less restrictive scheduling
- Convenience
- Intensive self-study
- Course materials are accessible 24 hours a day 7 days a week

Some students struggle in an online format while other students excel. Students who excel in an online format are:

- Highly self-motivated
- Have strong computer skills
- Possess good time management skills
- Know how to study independently
- Possess good communication skills

Online classes at MCCC are **NOT self-paced**. Instruction is delivered in an entirely web-based format. Students must complete exams, assignments, etc. by specified due dates. Some exams and assignments may be required to be completed at an authorized location as established by the instructor.

When taking an online class students are responsible for:

- A reliable computer with Internet access and Microsoft Word; course specific software will be described below
- Knowing how to email attachments
- Maintaining his or her own computer and Internet connection; technical issues are NOT acceptable excuses for not keeping up with due dates
- Having access to a printer if needed for personal use of online materials

It is the student's responsibility to log into Brightspace multiple times each week to keep up with communication, assignments and other coursework.

#### Brightspace

Online courses use Brightspace course management system as the means of communication between the students and the instructor.

**COURSE EXPECTATIONS**

This is a college level history course. Here at MCCC we strive to teach the courses at the same level as major four-year universities. As such, this course is not about memorizing historical names, dates, and places. It requires advanced readings, critical discussion, and analytical thinking. You will be challenged, college is not meant to be easy. You should expect to spend 3 hours a week studying for this class for every hour you spend on online assignments. That is the typical expectation in any college class. My duty is to help you master the material and pass this course, preferably with an A. Your obligation is to actually do what I ask you to do so you can pass the course. Pay attention, do the required work seriously, and communicate with me as often as necessary and you will succeed here.
