

MONROE COUNTY
COMMUNITY COLLEGE

Course Outcome Summary

Standard Course

GERMN 152 Elementary German II

Course Information

Division	Humanities/Social Sciences
Contact Hours	60
Total Credits	4

Prerequisites

GERMN 151 or one year of high school German

Course Description

The student will learn more advanced structures of the target language and additional vocabulary. The proficiency orientation of the class allows extensive practice in the four basic language skills: reading, writing, listening and speaking. This course is a continuation of GERMN 151. This course is a satisfier course for the Global Studies Degree Designation.

Course Outcomes

In order to evidence success in this course, the students will be able to:

1. Identify verbs having prefixes
2. Determine the kind of prefix in each verb
3. Recognize the correct use of verbs having prefixes in sentences
4. Demonstrate how to express actions in the present, past, and future
5. Identify different kinds of prepositions Germans use
6. Describe how to determine the correct case forms for their objects
7. Identify the different ways of expressing possession in German
8. Recognize the different kinds of adjectives in the positive, comparative and superlative forms and when an adjective ending is required
9. Recognize reflexive constructions and the frequency and importance of reflexive constructions in German
10. Recognize cultural aspects and differences in German speaking countries
11. Demonstrate the ability to discuss topics such as hobbies, leisure activities, and travel while indicating preferences, making plans, and responding to the plans of others during the conversation
12. Demonstrate the ability to use present perfect tense to express events that happened in the past
13. Demonstrate the ability to describe his/her home and the homes of others
14. Demonstrate the ability to compare things and actions
15. Demonstrate the ability to talk with a health professional concerning symptoms and health problems
16. Demonstrate the ability to converse on subjects presented in various units covered in the course
17. Demonstrate the ability to use a variety of time expressions to indicate past, present or future time
