Registration is Encouraged.

Call the Learning Assistance Lab at (734) 384-4167 or toll free 1-877-YES-MCCC.

This workshop benefits everyone, but may be especially helpful to students who have not had recent classroom experience.

“Every MCCC student should take advantage of the First Steps Workshop!”

“My friend and I attended the First Steps Workshop together and I’m very glad we did! I learned valuable study skills that made my transition into college life much easier. The workshop facilitator provided lots of helpful hints and I got to meet other students. I highly recommend that every student should take advantage of the First Steps Workshop. I’m glad I did!”

Sarah Badgley, former MCCC Student

First Steps for Classroom Success
