Item Missing/Taken: Blue Ray Disc Player

Officer was contacted by phone by complainant stating he was instructed to contact Security and make a report on a missing Blue Ray Disc Player.

Officer met complainant in Rm (blank), which is a classroom. He showed Officer how the Disc Player is setup underneath the Instructor's desk. All the wiring leading to the player was laying there as if the suspect just unplugged the player and then took it.

Complainant states that the room is mainly used on Mondays and Wednesdays and the instructor does use the player during his class time. So the last time anyone actually saw the player was on Wednesday, September 17th, 2014. When the instructor came into the classroom on Monday evening September 22, 2014, the player was missing. The I.T. Department of the College was contacted about the missing Disc Player.

Disposition: Officer made a report of a missing Blue Ray Disc Player from Rm (blank) from the CTC Bldg.
