

CCC - Security Incident

Date: 09/29/2014

Time: 07:00 PM

Reporting Officer: bsielski

Subject: Larceny - Bldg

Location: TEC Center

Witness:

Victim: MCCC

Complainant: Instructor

Suspect:

Narrative:

Items Stolen - 4 car Batteries, value - \$400.00

On this date, the officer while delivering a message in the TEC Center, was approached by instructor, who reported that someone had stolen the listed four car batteries. Instructor said that upon leaving Friday, 9/26/14, at approx. 2:00 pm, the doors were locked. Instructor said that upon arriving, today at 1:00 pm, he observed that four batteries were missing. Two of the batteries were missing from cars that were up on hoists, and the other two batteries were stolen from the south center of the room, and they were connected to engines. The officer has nothing further at this time.
