From the desk of Dannielle Lambert:

On Thursday, November 4, Mr. Quinn and I took six upper classmen to Bowling Green State University in Bowling Green, Ohio. Juniors Will Schwab and Chasity Stephens and seniors Logan Bourbina, Cierra Clay, Sharvae Davis and Robyn Monk went on the BGSU campus tour. The students visited the McFall Center, which houses the offices of undergraduate admissions, the faculty senate and the university president. Our students also visited Bowen-Thompson Student Union, Jerome Library, the campus bookstore and the student recreation center. Our students also had the opportunity to observe lecture classrooms, traditional classrooms and the dormitories.

Thanksgiving CELEBRATION

On Tuesday, November 23, 2010, we celebrated Thanksgiving with our Upward Bound students at Monroe High School. The Upward Bound program wants to take this time to thank Mrs. Quinn for dedicating her time each year to prepare this fabulous meal for our group. The staff and students appreciate all of her hard work.

A BRIEF HISTORY OF THANKSGIVING: A formal recognition of Thanksgiving began when President George Washington issued a proclamation in 1789. The proclamation set aside Thursday, November 26th as a day of public thanksgiving and prayer. While there were Thanksgiving observances in Colonial America and during the early years of the United States, Washington's proclamation represented the first to be designated by the new national government. In addition, during these years each state scheduled its own observance of Thanksgiving at different times, which generally took place in mainly New England and other Northern states. Later, President Abraham Lincoln in the midst of the Civil War, issued a proclamation calling for the observance of Thanksgiving to be observed on the last Thursday of November. Since 1863, Thanksgiving has been observed annually in the United States. In 1939, President Franklin D. Roosevelt briefly moved the holiday to the third Thursday of November (to extend the Christmas shopping season and boost the economy). However, after a storm of protest, Roosevelt changed the holiday again in 1941 to the fourth Thursday in November, where it stands today.
